🎓 Education

Software Engineering

Vilnius University

📅 2018 - Current (third course)

⚙ Hobbies:

✈ Piloting planes

♟ Playing chess

⚙ Tinkering with Archlinux (still new)

🪪 About me

Learn, listen, understand and improve these are the basics of how I operate. I am a Jack of all trades kind of person, that means I like to analyze things of interest. This ability helps me in both creating and expanding my problem domains which comes in handy when writing code.

🚀 Projects

ShadowChess

Proof of concept chess game running in firebase cloud. Github repository here.
Current released version:
https://shadowchess.web.app
